

Dear Yogis,

It is our pleasure to inform you about the situation in Borotin in 2021.

Due to the epidemiological situation, the school for pre-school children from all over the world has been "placed" online in the first half of the year. In autumn it was held in Borotín with 23 children. The term was full of vibrations with happy children, staff and parents.

Summer was full of activities – 3-weeks international summer camp followed by “moms camp” and at the end of summer we could enjoy the Art Camp with approx. 250 participants.

Shri Adi Shakti has also blessed us with the opportunity to build Her school. The main task was to work on completing the classrooms. Water distribution systems, heating and electricity systems are done. The classrooms have windows, main doors, cladding and underfloor heating.

Expenditure for the above in the period 1.1.-30.11.2021:

Total amount: € 84.551

Donations: € 4.658 (material and transport donated by yogis)

Work of volunteers: 2455 hours (€ 14.730)

Working plan for 2022:

The main task is to finish the classrooms. This means finishing the technical room (gas supply with installation of boilers, pumps etc.), bathroom and toilet (tiles, toilets, sinks etc.).

Estimated cost to complete classrooms etc. in 2022: 2.150.000 CZK / € 86.000.

In 2022, send your donations for reconstruction: account nr. 2900695417/2010 VS.1001

For payments from abroad: IBAN CZ242010000002900695417/2010 VS.1001 BIC FIOBCZPPXXX

Paypal can be found here: <https://borotin.com/support-us/>

Also, with regard to the kindergarten, we believe that it is our common duty to improve the conditions of our sisters and brothers who care for our children. Every regular (monthly) amount - perhaps € 7 (or 21 :-) - would help.

Yogis who would like to help with childcare or other support activities in 2022, please write to us at: borotin@nirmala.cz (more on the next page for the coming term 12th March - 4th June, 2022).

Thank you very much for your attention, bandhans, donations, and sharing information in your collectives.

Gratefully,

Borotin team

Jai Shri Mataji!!
