

Dearest Chris and to all my Aussie family,

As we look forward to 2025, we treasure, like a glowing light in our hearts, our Australian family coming all the way, deep in West Champaran, to hug us all and spend some time in the borderland...

Unbelievably, coming all the way, braving all odds, and making news on tv as well!!

It was a housewarming, and a great, great blessing and pure pure joy to have my Aussie family, more than words can say , ever..

Love you all, love you, and stay please like this always in my heart...May Shri Ganesha bring all auspiciousness to my Aussie family!

Your s didi
