## ***Thankyou Life Eternal Trust Delhi***

To Life Eternal Trust Delhi

Thankyou for all your support for the Music of Joy India Tour 2024.

The Music of Joy India Tour 2024 visited Jharkhand , Bihar and Uttar Pradesh and has just concluded. It was a most auspicious Tour with the coming together of Yogis from Australia together with our Indian brothers and sisters, facilitated by the Life Eternal Trust Delhi. HH Shri Mataji's advice to us in the 1990's was that Australia's place in the world is as a part of the SE Asia region and that we should look to build strong relationships with India and the Trust.

HH Shri Mataji also asked us to bring musicians and to Tour India to help promote Sahaja Yoga and appeal to the seekers. Since we received this advice, we have come to India on numerous occasions which Shri Mataji directed us so and She was very pleased with. These Tour would not be possible without the support and goodwill of our brothers and sisters of Life Eternal Trust Delhi. Your support for the all the arrangements together with your encouragement to all local collectives who hosted and support the Tour was vital.

Through your work in support of the Tour there is a tremendous feeling of goodwill and encouragement in support of Shri Mataji's work. The Tour also deepened our aspirations to continue to build upon our relationship as spiritual brothers and sisters.

We all know in our hearts there is unity, friendship and the feeling of a familial relationship amongst us all to come together. This is most pleasing to Our Divine Mother.

The question we as Trustees always have in our heart when we do work for Shri Mataji ***"What do we all feel is the best gesture to offer Shri Mataji that is worthy of Her Trustees"***

We all agree: ***"to bring as many new seekers to the feet of Shri Mataji so many more seekers may receive their self realisation and accept Shri Mataji's Advent."***

This India Tour was achieved upon a grand scale giving many seekers their self realisation. It was also an auspicious coming together in the holy land of India between the Touring Australian and the local Yogis of the three states of India. One of the great outcomes of the tour was not only doing the work of spreading Sahaja Yoga but the spiritual outcome of joining together as one Sahaja family praising Our Divine Mother.

We would like to again acknowledge and thank the support of the Life Eternal Trust Delhi without which this tour would not be possible.

We are committed to further Tours of India to continue to build upon the auspicious outcomes and the great support and mutual respect that has been established amongst us all.

Jai Shri Mataji
