This Aussie Ashram hosts our national Guru pujas. This year, all the routes will end here for the 2019 Guru puja.

FunFact: Located near Brisbane, every brick in the ashram was fired and built by yogis under our Mother's instruction. We hope to share this treasure with you all when you come!

Final Points

To keep costs low, Uluru is not included as part of the tour. However, we may be able to organise a trip to Uluru after Guru Puja for those wanting to go. This will be an add-on to the tour fee.

We can realise costs once we know how many yogis are likely to come. So please fill the *Expression of Interest* form, so that we can get the tour costs and details to you.

All tour routes will cost the same. The costs are being worked out as you read and we will update you all very soon!
