

Dear Holiness Shri Mataji

We humbly offer You our heartfelt thanks and appreciation
for Your giving us the new
Australian Capital Territory Sahaja Yoga National Councillor

Mr Emmanuel Ametowanou

We offer the new Councillor at Your Lotus Feet Divine Mother,
and request your attention on him and that he may be Your vehicle
in assisting the ACT and Australian Collective, and to act as Your
instrument to create a loving nurturing environment for the
Australian Collective and the whole world to grow in their Spirit.

We also ask Your Divine blessings for all members of the Australian
Collective and that they will give their love and full vibrational
support to the new Councillor in his role.

Jai Shri Mataji!
