Shri Mataji Nirmala Devi, Your children, with hands on our hearts and heads bowed, we humbly seek Your permission and request Your divine presence to worship You in Your holy form of Shri Ganesha at this year's puja.

Shri Mataji Nirmala Devi, at this most auspicious of occasions, with all our love and devotion, we collectively and most humbly pray that You remove any obstacles and grant us all the qualities of Shri Ganesha. It is our desire these qualities pervade Your most beautiful creation now and always.

We thank You again and again for everything.
