

The US National Council is inviting yogis and yoginis from all over the world Sahaja Sangha to apply for the Land Caretaker position at Canajoharie, NY, USA

Job: Canajoharie Land Caretaker(s)

Start date: Immediate

Profile:

1. The candidate should be comfortable with all handy-work activities (even if these activities are not carried out by him/herself , e.g. using sub-contractors)
2. The candidate should have experience working with farm machinery such as tractor, plow, chainsaw and other tools
3. The candidate should have experience with electric, plumbing, masonry and carpentry.
4. The candidate should have good communications skills (interface with VND, Land team, subcontractors , local authorities and yogis staying at the camp).
5. Some training skills required, to train yogis wanting to help during work weekends or during puja weekends.
6. A basic understanding of legal aspects of construction and building modifications(permit applications etc) is not required but would be ideal.

The successful candidate would:

1. Give an opportunity for carrying forward and being part of Shri Mataji's vision for the land which She established Herself.
2. Should be an established and active yogi/yogini who has been practicing Sahaja Yoga for several years, regularly attending Pujas, participating in the activities of a national collective or at the level of international Sahaja Sangha projects, or both.
3. Have good interpersonal, organizational and computer skills (Office, Excel, Word etc.) are expected, basic competence in finance skills is of advantage.
4. Intermediate to advanced proficiency in English required
5. Work with Land Team to establish priorities and ensure implementation of essential repair and maintenance of land and existing buildings, including the hangar, kitchen, pole barn, showers, white house/cabin, roads, grass and hay fields, and hiking trails.
6. Act as Land Development Committee Member to assist in determining development projects, assessing cost including required manpower or subcontractors , and presenting, in budget format, to the VND National Council for approval.
7. Ensure liaison with all local authorities in relation to planning permits, authorization to host events etc.
8. Help maintain Sahaja decorum on the land and treat all co-workers, volunteers and visitors with dignity and respect.
9. Highly recommended to have a driving license.
10. Candidates from within US is preferred. Visa sponsorship is available for this position.

CV / resume with a motivation letter and recommendation from the National Coordinator should be sent to E -mail: land-development@vnd.org

A detailed job description will be sent to candidates who submit a CV, motivation letter and letter of recommendation.
