

INTERNATIONAL
MARRIAGE COMMITTEE

Dear Brothers and Sisters,

Jai Shri Mataji!

By Mother's Grace, we are overjoyed to announce the start of the Sahaja Marriages activities for 2026.

IMPORTANT DATES

Applications will be accepted online by the IMC **from the 19th of April until the 12th of July 2026**.

Announcements will be done live in Cabella as usual during the week before the Marriage ceremony, tentatively from **Tuesday evening 8th September**, and will be streamed online.

Marriages will take place on the most auspicious occasion of Shri Ganesha Puja weekend, on **13th September 2026 in Cabella**.

In order to be constantly updated on events, status of the process and potential changes, we advise all applicants to **download on their mobile phone the "Nirmala Vidya" mobile app** (available both for Android and Apple phones), that includes a section for IMC news. Marriage evening program date will be communicated through this channel.

APPLICATIONS PROCESS

Similar to last year, we will collect Sahaja Marriage applications and manage the approval process online, on the **IMC Marriage Portal** for all countries. The Portal, built on a business-grade platform for higher security and confidentiality, will be used to digitize only the submission and approval of applications. The matching process will be performed by printing the forms and offering them at Shri Mataji's Lotus Feet in Cabella, for collective vibrations taking.

Access to the Portal is **by invitation only**, i.e. no applicant can self-register. Applicants need to be referred by the country coordinator or a delegate from the coordinator/council in charge of marriages.

Please refer to your coordinator for further information about the marriage process in your country and the Marriage Portal. Please refer to the following documents, distributed to all country coordinators:

- Sahaja Marriage Principles and Protocol
- Sahaja Marriage Portal guide for applicants

These documents can be provided to applicants by the coordinator, or can be downloaded from within the Portal, after logging in, at the top of the Marriage Application form page.

We kindly ask you to carefully read the information in those documents, which give all the details about marriages arranged by the International Marriage Committee.

MARRIAGE WORKSHOPS FOR APPLICANTS

To provide more information about Sahaja Marriages, and clarify any doubts, we will be holding two online workshops where we will explain the process. The workshops are identical; you do not need to attend both.

- 19th April at 10 AM (10:00) and at 4 PM (16:00) Cabella time

They will be streamed on the YouTube channel of the World Foundation; links will be published near the event date on <https://www.youtube.com/@ShriMatajiFoundation>

Both workshops will have a duration of about 2 hours and will include a short video of Shri Mataji, a presentation about Sahaja Marriages, and details about this year's process. They will be recorded, too, and remain available for all the applicants who could not join. You will be able to submit live questions during the workshop via WhatsApp or e-mail.

This year we will hold also a series of preparatory **marriage webinars for applicants**, where we will meditate, listen to Mother's talk, and go more into details of all aspects of marriages on **26th April, 24th May and 21st June 2026**. More details will follow.

We hope to be able to meet again soon at the Lotus Feet of Shri Mataji in celebration of this most joyful event for our Sahaja family.

With love and respect,

International Marriage Committee
